Hi Trish, please thank your friend for their interest in this event.

We have been asked to direct all offers for assistance to either the toll free site number (844-607-9700) or submit a comment on the website by going to <http://www2.epa.gov/goldkingmine> and clicking the Contact Us link at the bottom of the main page.

Regards, Gina

Subject: info for response

Not sure who to reach out to with this type of information, but I had a friend contact me about the Gold King Mine Response. I am not sure if we are looking for experts, but he suggested Anita and Brent from Hydrogeologica work on these type projects. Below is the link for the company:
